

Mixing Orange Juice

Natasha and Tamara are in charge of making orange juice for their class. They plan to make the juice by mixing water and frozen orange juice concentrate. To find the mix that tastes best, they decide to test some recipes. Which recipe will make juice that is the most “orangey”? Using pictures, words, numbers and/or symbols, show how you figured it out.

Mix A

2 cups concentrate
3 cups cold water

Mix B

1 cup concentrate
4 cups cold water

Mix C

4 cups concentrate
8 cups cold water

Mix D

3 cups concentrate
5 cups cold water
